

The **TARGET** Center is pleased to announce the addition of a new service program to the portfolio of services provided to **USDA** employees with disabilities and service providers.

The **Accessible Communications Program** integrates a variety of assistive technology tools, training programs related to accessible communications, and technical assistance to enable all **USDA** program managers, employees and service providers to effectively engage with approximately 8,000 **USDA** employees with disabilities nationwide.

Site assessments of accessible communication are scheduled for the following locations to enable **USDA** programs to effectively engage with both **USDA** employees and visitors with disabilities:

- **AFCU Bank**
- **Ag Promenade Stores**
- **GWCC Cafeteria and Security**
- **OCIO IT Support Service**
- **Security at Leased Facilities in the National Capital Region**
- **U.S. Post Office in the South Building**
